

Aerosol - AER-D-600 - Coil Clean

AER-D-600 Coil Clean

Coil Clean is an effective cleaner, suitable for cleaning evaporators and condensers. This formula is fast acting and fin friendly making it perfect for removing the dirt and not damaging the coil.

Part Code	AER-D-600
Product Name	Coil Clean
Description	Universal Coil Cleaner
Bullets	For cleaning evaporators & condensers. Fast acting formula. Fin friendly, removes the dirt and not the metal. New Fragrance
Package Size	600 ml
Bar Code	5051391002109
Usage Instructions	Turn off unit before cleaning and apply onto the coil starting at top corner and moving across and down, covering the complete surface of the coil. Leave for 5-10 minutes for the solution to dissolve contaminants and provide initial coil protection. Product is self-rinsing on evaporator coils that produce condensate but rinsing is recommended for condenser coils and for maximum effectiveness, the application can be repeated.
