

G2G-Green+

Environmentally Friendly Universal Coil Cleaner

G2G-GREEN+

G2G-GREEN+ (Good To Go) is a unique coil cleaner made from readily biodegradable components derived from natural, sustainable sources that delivers outstanding cleaning performance for both indoor and outdoor coils. G2G-Green+ removes dirt and stubborn build-up from coils to restore their appearance and performance. It is safe for all metals and roof surfaces. Now you can enjoy effective cleaning power while helping to protect the world around you. G2G-Green+ delivers excellent cleaning performance and environmental responsibility.

- **Non-toxic, non-corrosive**
- **Effective on indoor and outdoor coils**
- **Safer for the user and the environment**
- **Readily biodegradable**
- **Safe for condensate pumps**

INSTRUCTIONS: 1. Shut off system.

2. Spray solution onto coils. For best results, begin spraying at the bottom of the coil and work upwards, then re-spray the entire coil.

3. Allow the solution to penetrate for 3-5 minutes, then rinse condensers coils thoroughly with water. Evaporator coils may be rinsed if the condensate does not thoroughly flush the dirt and cleaning solution from the coil.

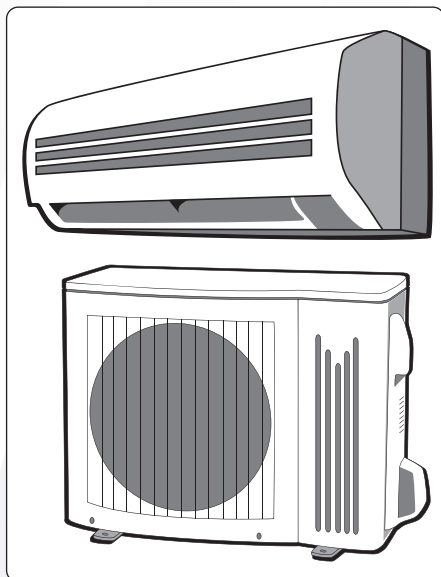

4. Return the system to service.

Irritant

CAUTION : Irritating to skin and eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. After contact with skin, wash immediately with plenty of soap and water. Wear suitable protective clothing, gloves and eye / face protection. In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible). This material and its container must be disposed of as hazardous waste. Keep out of the reach of children.

Material Safety Data Sheet available for professional user on request.
