CONDENSER

▶ 5L

MIX RATIO
3:1
MAKES 20L

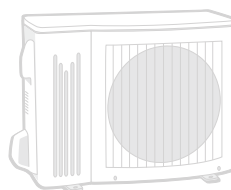

CONCENTRATED

FEATURES

- Maximum foaming action
- Cleans and brightens condenser coils
- Leaves no residue
- Non-acid formula

INSTRUCTIONS

Wear eye and skin protection when mixing or applying product to avoid irritation. Turn off unit before cleaning. Mix 3 parts water with 1 part Pro-Foam+. Pro-Foam+ should be diluted in a plastic container or low pressure sprayer and applied liberally to coil surface. Allow the cleaner to penetrate for 5-10 minutes, then flush away cleaner and dirt with water. For best results, thoroughly rinse away all traces of the cleaner. For heavily contaminated surfaces, repeat the cleaning process or use a more concentrated cleaning solution.

NON-WARRANTY: This product is provided "as is". Seller specifically disclaims any and all warranties, whether expressed, implied, statutory or otherwise and specifically disclaims all implied warranties including without limitation, any implied warranties of merchantability or fitness for a particular purpose or those arising by reason of custom or usage in the trade or by course of dealing.

SAFETY

CONTAINS: Sodium hydroxide: EC number 215-185-5 and Sodium silicate: EC number 239-981-7

DANGER! Causes severe skin burns and eye damage. May be corrosive to metal. Keep out of reach of children. Read label before use. Do not breathe mist, vapours, or spray. Wash hands thoroughly after handling. Wear rubber, nitrile or neoprene protective gloves and clothing, and safety goggles or face shield to protect eyes and face. Store locked up and in a plastic container or one with a resistant inner liner. Dispose of contents and container in accordance with international and local regulations. Keep only in original container. Absorb spillage to prevent material damage.

FIRST AID: IF SWALLOWED: Rinse mouth. Do NOT induce vomiting, immediately call your National Poison Centre information service or a doctor. For additional information, consult the Safety Data Sheet (SDS). **IF ON SKIN (or hair):** Remove immediately all contaminated clothing. Rinse SKIN with water/shower for a minimum of fifteen minutes. If irritation persists or burns are present, immediately call your National Poison Centre information service or a doctor. Wash contaminated clothing before reuse. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call your National Poison Centre information service or a doctor.

Suitable extinguishing media for the surrounding fire should be used.

See Safety Data Sheet for further details regarding safe use of this product.
