

STUDDING CLIPS

These studding clips from RPC have a unique way of attaching themselves to the threaded rod. Simply insert the clip and snap to secure in place. The ratchet design locks the pipework in place. It will overcome the problems of using cable ties for piping, electrical, optical and network cabling.

FEATURES

- Available to fit M8 and M10 threaded rod
- Secures to the studding quickly
- Simple to install, adjust and relocate
- Available in 11 sizes from 5/8" to 2-1/8"
