

**SLIMDUCT MD**

is designed for indoor use. Its elegant Neo White colour not only protects piping but also blends seamlessly into indoor spaces.

The design ensures that screws remain out of sight, and most fittings are designed without screws, enabling easy installation while maintaining an elegant appearance that complements any interior scheme.

With a wide variety of fittings, SLIMDUCT MD offers versatile solutions for various configurations.

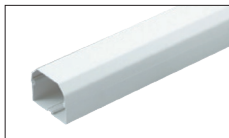

- Material : Rigid Polyvinyl Chloride
- Flame Retardant *Excludes some items
- Temperature Range : -20°C~60°C (Surface temperature)
- Colour : Neo-White
- Application : Wall-mounted
- Fittings : Wide variety of fittings (16 types) to accommodate your unique configuration.
